Unblocking of the Data Control preventive mechanism – TEMPORARY CHANGE FOR THE CURRENT MONTH

☐ €5,000* ☐ Removal of any limit* Relevant GSM number: _____

The customer would like to unblock, for the current month, the Data Control system in excess of €2,500*.

The request to unblock the limit for the Data Control is done for the current month and is not applied on a recurring basis. On the first day of the following month, the Data Control limit defined by the customer (or, by default, the Data Control limit of €50*) is again applied to the relevant line(s).

Change in the Data Control preventive mechanism – PERMANENT CHANGE

☐ Change in the Data Control monthly limit. The change in the limit is applied on a permanent basis; the new amount of the limit will now be reimbursed on every first day of the month.

GSM number:	Limit in €*								
	€0	€25	€50	€100	€250	€500	€1,000	€2,500	€10,000*

*** POST Telecom warns the consumer of the risk of unblocking the Data Control system, which can lead to high consumption costs appearing on their bill.** Data Control applies to the National + Roaming volume for SCOUBIDO, BUSINESS EUROPE 2 and Basic + and Roaming for all other offers.

The unblocking of the €5,000 limit and removal of any limit are subject to the agreement of POST Telecom's Management[1]. The removal of any limit corresponds to a maximum blocking limit in the amount of €10,000. Amounts are expressed in €, excluding taxes, for subscribed offers and in €, all taxes included, for prepaid offers.

I, the undersigned, (Surname, First name,) _____ declare that I am requesting the above changes for the relevant mobile numbers.

In case of the acceptance of a request to implement a service or change in the contract in accordance with its conditions, the request will be processed upon receiving this document subject to a minimum notice period of14 days. POST Telecom S.A. shall not be held liable for any delays in the change or opening of a service as a result of incomplete or incorrect information.
