- Combine your discounts with our current promotions
- Discount on the POP Internet activation fee (-€75)

2 Who can benefit?

POST's special telecommunications offers are available to all retired POST employees.

3 How can you benefit from the advantages?

To benefit from the advantages of POST's 'Offre Privilège Retraités', the application form is available directly at www.post.lu/pep-retraite.

If you are not yet a POST customer:

- To subscribe to a POP Mobile and/or POP Internet plan, please contact our customer service team by email at contact.televente@post.lu (make sure to include the following in the subject line: "Offre Privilège Retraités + Retraité POST Luxembourg" and attach a PDF version of your application form). You can also call our freephone number **8002 8030**, available 24/7, seven days a week.
- If you would like to receive a smartphone together with your POP Mobile subscription, please visit one of our Espaces POST with your application form and ID card.

If you are already a POST customer:

- If you already have a POST Telecom plan or subscription and do not wish to make any changes, simply send the completed form by email to pep.telecom@post.lu. Once your request has been received and confirmed, the benefits programme will automatically be applied to your existing services.
- If you already have a POST Telecom plan or subscription and would like to make changes, please call our freephone number **8002 8004** or contact our customer service team at contact.televente@post.lu. Your request will be processed 24/7. Would you like to purchase a new smartphone? Visit one of our Espaces POST with your application form and ID card.
- If you already have a POST bank account and are benefiting from the "Offre Privilège", your banking package will remain free of charge. If you wish to change your banking package, you can contact our staff by email at contact.finance@post.lu or by phone on **8002 8004**, Monday to Saturday from 7 am to 8 pm.

OUR TIP:

Use the MyPost Telecom app to easily track your usage!

With the MyPost Telecom app, you can monitor your usage (calls, SMS, internet) and manage your subscriptions. Available on iOS and Android.
