

Post Enterprise Program

BENEFITS FOR EMPLOYEES

The format of your invoice changes but the price remains the same!

Dear Sir or Madam,

You are currently subscribed to a **SCOUBIDO**, or **BAMBOO** offer, and you **benefit from exclusive private advantages** thanks to the PEP (POST Enterprise Program).

To modernise the format of our invoices, we inform you that **the discount applicable to your BAMBOO Package subscription will be displayed differently**: you will keep your current benefits and discounts, but they will be integrated directly into the final price of your invoice. In addition, your **BAMBOO Package without TV** becomes the new BAMBOO Duo, and the **BAMBOO Package with TV** becomes the new BAMBOO Trio. **We change the name but not the price!**
